# President's Message

---

Fall greetings, my Charmette sisters!

While our northern sisters are enjoying the changing leaf colors and the cool breeze of autumn, we southerners are still basking in the evergreen beauty of palm trees and just a hint of a break in the warm weather. Whatever the temperature in your local vicinity, Charmettes are "on fire", feverishly embracing this new chapter year, welcoming new members and hosting Breast Cancer Awareness activities.

This new year has as its foundation the September Executive Board Retreat and the Chapter Presidents Retreat where your leaders were inspired and invigorated. We were reminded of the tenets which have sustained our organization for these 72 years and discussed the vision for the amazing future which awaits us. Recreational activities, including a bowling tournament and a dance contest, brought us much laughter and relaxation, yet prompted an abiding camaraderie which will propel us forward. Coupled with these internal events are several meetings with Convention planners, hotels, and other liaisons who are assisting us with planning our Million Dollar 68th Annual National Convention. Gather your confetti and noise-makers as we anticipate sharing in a grand "Convention Reveal" Party within the next few weeks wherein all of our Charmette sisters will be able to celebrate the grand news in a collective fashion. A "Save the Date" will be coming your way very soon.

Finally, I also convey to you the greetings of Dr. Carla Williams and the leadership of the Howard University Cancer Center, with whom we met when Vice-President Wanza D. Sermons-Lee and I delivered our 2023 national contribution to HUCC. Dr. Andrea Hayes Dixon, the 1st female Dean of Howard's College of Medicine, did not miss the opportunity to greet us, together with several staff members and patients who expressed their appreciation for the four decades of continuous support which we have provided. In the words of Dr. Williams: "The Charmettes believed in us when no one else did."

The Executive Board congratulates all of our chapters who have taken the new year by storm, installing new officers, initiating new members, and implementing a myriad of educational and lucrative endeavors intended to eradicate cancer within our lifetime. Most noteworthy is the support which chapters are extending to one another, offering physical attendance and financial contributions for one another's events. You are exemplifying the true bonds of sisterhood which our founders demonstrated and taught.

I encourage you to savor each moment of sisterhood during this season because the holidays and new year will approach more quickly than we can imagine. Remember that "Sweater weather is better together." Unkn

## Marketing Planning Tips

Our National Officers got a chance to team up with Mrs. Kamali-Ann Burke, workshop presenter, to brainstorm some genius marketing tactics to elevate our organization's profile to new heights!

Amidst the currents of goodwill, the Miami Dade, Broward, and Palm Beach chapters have woven strands of enchantment, gifting the National Officers with tokens of their affection. Such delightful offerings and warm salutations shall kindle the embers of camaraderie, evoking a sense of kinship amidst the winds of change.

Behold! Miami Dade has bestowed upon all a precious bundle of joy!

President Howard of Palm Beach County sends a sunny hello our way!

We received a warm welcome from the Miami-Dade Chapter, complete with fabulous gifts!

**On Saturday October 7th the Atlanta Metropolitan Charmettes had the pleasure of volunteering at the Emory/Atlanta Hope Lodge celebrating 25 years.**

# Atlanta Metropolitan Chapter

The American Cancer Society Hope Lodge program provides a free home away from home for cancer patients and their caregivers. More than just a roof over their heads, it's a nurturing community that helps patients access the care they need. Each Hope Lodge community offers a supportive, homelike environment where guests can share a meal, join in the evening's activities, or unwind in their own private room. Patients staying at a Hope Lodge must be in active cancer treatment and permanently reside more than 40 miles away

# Duval County Chapter

The Duval County Chapter hosted an annual "100 Women in Pink" event.. The event was a reminder that when women come together, they can make a difference in the fight against breast cancer.

# Treasure Coast Chapter

Treasure Coast Chapter of the Charmettes Inc. started our New Year off with a retreat trip to New Smyrna, Fl from 9/22-9/24. What a joyous time we had bonding!

# Memphis Metropolitan Chapter

The Charmettes, Inc. Memphis Metropolitan Chapter is ecstatic to announce the induction of 14 new members into their sisterhood.

The event was electrifying with the surprise presence of National President Cecily Robinson-Duffie, Vice-President Dr. Wanza Sermons-Lee, and former Executive Director Lisa Lang-Hannah.

The National President and Vice President presented the new members with their pins and welcomed them warmly.

Furthermore, the esteemed Joyce Walker, chapter sponsor, was accorded a hero's welcome for her tremendous contributions. It was an unforgettable day for The Charmettes, Inc. and an opportunity for the Memphis Metropolitan Chapter to shine.

# Memphis Metropolitan Chapter

Memphis Metropolitan members marched to the beat of hope on October 15, 2023, joining forces with Strides Against Breast Cancer to support survivors. Our Chapter Survivors proudly walked alongside, heartening us with their presence.

On October 26, 2023, Memphis Metropolitan Chapter's own health care professionals and survivors hosted a Breast Cancer Awareness webinar entitled "Let's talk Pink!" to discuss risks, screening, treatment, nutrition, and share personal survivor stories. The webinar was insightful and informative for those in attendance.

# Miami-Dade County Chapter

The Miami-Dade Chapter of the Charmette's hosted their first event of the year, entitled Dillard's Day, on Saturday, October 7, 2023. This was a collaborative event between the chapter and retail giant in honor of Breast Cancer Awareness month.

Dillard's Day was held at Pembroke Lakes Mall and featured runway models in honor of cancer survivors. These models wore clothing items from some of the finest designers and walked and modeled stylish, fashionable clothing items, while their survival stories were narrated simultaneously as the show.

Just imagine how beautiful of an event that was; walking in honor of an actual survivor and in some cases, the actual survivor walked themselves.

On Saturday, October 14, 2023, The Miami-Dade Chapter of the Charmettes, uniquely collaborated to Lace Up in pink, in honor of cancer awareness and as a reminder that we are fiercely working towards a cure for cancer.

With family and friends near and far, the Charmettes all took part in the effort to lace up for a cure and kick cancer event. They showed their support by wearing pink shoes and laces, which displayed their individual spirit. There were even participants as far away as Maryland supporting the cause, and furbabies (animals) engaging in the spirited activity.

Charmette sisters were gifted with laces in their gift bags at their annual and long awaited retreat this past August. What a perfect way to add to the festivities in this worldwide known month of Pink October. The event was an opportunity to connect and serve as a reminder of the efforts and goal as an organization.

# Leon County Chapter

## Leon County Chapter

The Leon County Chapter members dedicated our time, talent and passion toward a host of community activities, including those related to October being Breast Cancer Awareness Month and our signature Debutante Presentation and Ball.

Here's a round up of those activities:

Our Sisters joined the American Cancer Society and Florida Blue for a Lunch & Learn on Breast Cancer/Prostate Cancer Awareness this past week.

Efforts coninued when our Sisters participated in the 2023 Making Strides Against Breast Cancer event.

# Leon County Chapter

The Leon County Chapter is hard at work preparing for our signature Debutante Ball and Presentation event to be held next year.

Dozens of parents and a host of impressive young women turned out for our recent interest meeting.

It was a great opportunity to share our dedication to providing a memorable and dazzling event that will make memories for a lifetime.

During the meeting, attendees heard about our history and what Debutantes will need to make the most of their experience, including fundraising.

This event is one of the most sought-after events of the calendar year. We are encouraged by the interest and look forward to continuing this tradition.

For those who were not able to attend the in-person meeting, our Chapter hosted a virtual meeting that was well received.

## Richmond Metropolitan Chapter NEW MEMBERS INDUCTION

It was a warm Saturday morning on September 9, 2023, when a group of women all dressed in uninterrupted white attire entered Eggspectation Restaurant for an Induction Ceremony and a Rededication Ceremony.

Three women were poised as they affix their signature in our membership book, and vow was taken, each were pinned by their sponsor and accepted as members to this organization.

What an incredible ceremony! Attending chapter members reaffirmed their commitment and dedication to the chapter and organization during the Rededication Ceremony.
